ABOUT

With close to 40 years of experience in surveying – there is no challenge that Keith cannot overcome! From managing the Survey Department to quality control and preparing estimates – he is always astute and instills his desire for accuracy throughout the company. He enjoys seeing the changes in technology over the years which has increased our accuracy levels and improved efficiencies in getting jobs completed faster!

With projects such as Wyndham & Twin Hickory in Henrico County, Mosaic @ West Creek in Goochland County and Charter Colony in Chesterfield, Keith has been involved in surveying projects throughout Central Virginia.

When Keith isn't working you will find him relaxing on a boat and doing a bit of fishing with family and friends or spending quality time with his wife at the lake!
